sshubhamkumar776@gmail.com

Professional Summary

Dedicated Mathematics and Science teacher with 4 years of teaching experience from 2022 to 2026 across school, coaching, and home tuition environments. Experienced in teaching students from Classes 6–10 with a focus on building strong conceptual foundations, simplifying difficult topics, solving doubts, and preparing students for school examinations. Skilled in adapting teaching methods according to individual student needs and maintaining an interactive, student-friendly learning environment.

Teaching Experience

Home Tutor – Mathematics & Science

2022 – 2026

Home Tuition

- Provided one-to-one Mathematics and Science tutoring to students from Classes 6–10, focusing on conceptual understanding and academic improvement.
- Conducted regular doubt-solving sessions, practice exercises, homework support, and revision sessions to strengthen subject fundamentals.
- Prepared students for school examinations through topic-wise revision, problem-solving practice, and mock tests.

Mathematics & Science Teacher

2019 – 2020

Bharat Bharati School

- Taught Mathematics and Science to school students from Classes 6–10 according to the prescribed academic curriculum.
- Planned and delivered classroom lessons with emphasis on clear explanations, practical examples, numerical problem-solving, and conceptual learning.
- Provided individual attention and doubt resolution to help students improve their understanding of challenging topics.

Mathematics & Science Faculty

2019 – 2021

Career Vision Coaching

- Taught Mathematics and Science to Classes 6–10 students in a coaching environment with a focus on concept building and examination preparation.
- Conducted topic-wise problem-solving sessions, practice classes, revision sessions, and doubt-clearing classes.
- Maintained an interactive classroom environment and encouraged students to develop logical thinking and independent problem-solving skills.

Subject Expertise

Mathematics	Number Systems, Algebra, Linear Equations, Geometry, Mensuration, Statistics, Arithmetic, and Problem Solving
Science	Physics, Chemistry, Biology, General Science, Scientific Concepts, Diagrams, Numericals, and Practical Applications
Classes	Classes 6–10

Teaching Skills

- Concept-based and student-friendly teaching
- Individual attention and doubt solving
- Lesson planning and topic-wise revision
- Worksheet, test, and examination preparation
- Numerical problem solving and logical reasoning
- Classroom management and student engagement

Education

Lakshmi Narain College of Technology, Bhopal

2022 – 2026

B.Tech in Computer Science Engineering (AI & DS)

CGPA: 8.16

Mahant Ram Jiwan Das College, Bihar

2019 – 2021

Class XII – 83.4%

Don Bosco Academy, Bihar

2018 – 2019

Class X – 88%
